Alternate Selection:

If the recipients of these scholarships do not accept the scholarship or fail to attend an accredited college, community college, or vocational school, the scholarships may be awarded to an alternate. The alternate must meet all of the requirements of the scholarship to be eligible.

Payment:

At the beginning of the first term a check for one-half (1/2) of the scholarship will be issued to the educational institution which the student is attending. After completion of the first term, with proof of an overall Grade Point Average of "C" or 2.75 and enrollment for the second term, a check will be issued to the educational institution the student is attending for the remainder of the scholarship.

The scholarship committee reserves the right and the discretion to award any amount or amounts it so determines and said scholarship may be renewable and/or terminable after the first year. Notwithstanding the foregoing, any scholarship award hereunder shall not cause the recipient's total scholarship awards, including scholarships from other sources, to exceed the recipient's estimated cost of attending college, which includes but is not limited to costs of tuition, books, room and board.

Loss of Scholarship:

The student may lose the scholarship and not receive payment for the second term if he/she fails to complete the first term, or for not attaining a Grade Point Average of "C" or 2.75 for the first term. The student may also lose the scholarship if he/she is convicted for the illegal possession, use, or sale of any controlled substance as defined by Nebraska State Statutes. If any of these situations occur, the remainder of the scholarship monies will be distributed to the alternate. In the event that neither recipient nor alternate remains in school or are failing at the end of the first term, the monies will become part of the corpus of the scholarship fund. If a scholarship goes unused, for any reason, it may be deemed forfeited, at the committee's discretion and such applicant will be required to reapply.
