

West Holt Public Schools Parents, Teachers, and Friends-

West Holt Public Schools Foundation is participating in the Atkinson Big Give held the week after Thanksgiving. We would encourage you to support the Foundation if you can by donating at one of the Giving Stations listed below. We can earn additional money based on donor turnout.

What is the Atkinson Big Give?

The Atkinson Big Give is a time for giving. Atkinson Community Foundation Fund is organizing this year's event to help spotlight local charitable organizations and their related initiatives and projects that benefit area residents and visitors. Lisa Bilstein, organizer, said, "We hope to offer education about the positive differences each organization is making for Atkinson and facilitate opportunities to give."

You can participate by writing checks payable to your selected organizations and placing them in an envelope at one of the Giving Stations throughout the week. Your contributions are tax deductible to the extent allowed by law.

West Holt Public Schools Foundation

West Holt Public Schools Foundation accepts your generous donations which help us enrich the opportunities and educational experiences for students by providing scholarships and other school enhancements such as our recent construction of the crows nest at the track complex and new curtains for the lecture hall. We support the Beef in Schools program and accept donations of beef, or cash donations towards beef processing.
